

15-AA-0273

4. Name and Mailing Address of Owner:

**Kern County
Waste Management Department
2700 "M" Street, Suite 500
Bakersfield, CA 93301**

15-AA-0273

Facility/Permit Number:

15-AA-0273

SOLID WASTE FACILITY PERMIT

12. Legal Description of Facility

Assessor Parcel Numbers:

Section 33 & 34, Township 29 South, Range 30 East and
Section 3, 4, 9, & 10, Township 30 South, Range 30 East, MDB&M

13. Findings:

- A. This permit is consistent with the County Integrated Waste Management Plan, Siting Element, amended April 25, 2000, as required in Public Resources Code, Section 50001(a)(1).
- B. This permit is consistent with standards adopted by the California Integrated Waste Management Board, Public Resources Code, Section 44010.
- C. The design and operation of the facility is in compliance with the State Minimum Standards for Solid Waste Handling and Disposal as determined by the Local Enforcement Agency.
- D. An Environmental Impact Report and Supplemental Environmental Impact Report (approved July 27, 2000) have been completed and a Notice of Determination has been filed with the State Clearinghouse, SCH #86071414, as required in Public Resources Code, Section 21081.6.

14. Prohibitions:

- A. The permittee is prohibited from accepting the following materials:*
 - 1. The acceptance, treatment, discharge or storage of 'hazardous waste,' as defined in California Code of Regulations, Title 27.
 - 2. Hot ashes/burning material
 - 3. Materials containing greater than 1% friable asbestos
 - 4. Biohazardous wastes which have not been treated as required by Section 118215 et. seq. of the California Health and Safety Code
 - 5. Radioactive materials requiring state or federal license & regulation
 - 6. Department of Transportation Class I explosives

* Used motor oil, used motor oil filters, and used antifreeze may be accepted for recycling purposes as described in the Report of Facility Information.
- B. The permittee is additionally prohibited from the following activities:
 - 1. Scavenging
 - 2. Discharge of wastes off site
 - 3. Vector propagation or harborage
 - 4. Burning of wastes
 - 5. Salvaging of cosmetics, food, beverages, or any materials capable of impairing public health
 - 6. Eating or smoking within the waste footprint

15. The Local Enforcement Agency considered the following documents in making the above findings and before determining the necessary conditions to incorporate into this permit to ensure the protection of public health and safety and the environment.

Conditional Use Permit #3, Map 105 and #8, Map 126	September 28, 1987
General Plan Amendment #3, Map 105 and #8, Map 126	September 28, 1987 June 27, 2000 - amended
Closure Financial Responsibility	August 28, 2000
Preliminary Closure/Post Closure Plan	January 28, 2000- approved
Environmental Impact Report SCH # 86071414	September 28, 1987
Supplemental Environmental Impact Report SCH # 86071414	April 2000
Waste Discharge Requirements - Order No. 99-078	June 11, 1999

SOLID WASTE FACILITY PERMIT

15-AA-0273

17. LEA Conditions - Continued

- D. Site access shall be granted for the purpose of inspection without prior notification by the Local Enforcement Agency.
- E. The operator shall file an amendment to the Report of Disposal Site Information with the Local Enforcement Agency at least 150 days prior to making any significant change to the design or operation of the facility.
- F. The Local Enforcement Agency (LEA), through this Solid Waste Facilities Permit, may prohibit or condition the handling or disposal of solid wastes to protect the public health and safety, protect and rehabilitate, or enhance the environment, or to mitigate adverse environmental impacts.
- G. The operator shall maintain a copy of this permit at the facility so as to be available at all times to facility personnel and to Enforcement Agencies' personnel.
- H. The owner or operator shall maintain a written record of any nuisance, public health or safety complaint.

Facility/Permit Number:

15-AA-0273

SOLID WASTE FACILITY PERMIT

16. Self-Monitoring:

Results of all self-monitoring programs will be reported to the **Kern County Environmental Services Department** in a format approved by the Local Enforcement Agency. Notice via telephone must be followed with written information.

Within 24 Hours

- A. Report to the LEA any fires, landslides, earthquake damage, unusual and sudden settlement, injury and property damage accidents, explosions, receipt or rejection of unpermitted wastes, flooding, and other unusual occurrences.
- B. Report any nuisance, public health or safety complaint.

Within 30 Days

- A. Provide a written account of the actions taken by the operator to remedy or correct any fires, landslides, earthquake damage, unusual and sudden settlement, injury and property damage accidents, explosions, receipt or rejection of unpermitted wastes, flooding, and other unusual occurrences.

Every Three Months

- A. Provide a summary of the results of the Load Check and Hazardous Materials Screening Programs, including load check dates, percentage and type of total vehicles checked; and the type and quantity of wastes rejected or removed (excluding household hazardous wastes).
- B. Provide a summary of the tonnage of wastes received at the facility. The tonnages shall be itemized by day.
- C. Provide a summary of the results of the operator's methane gas monitoring program

Annually By April 1 for the Prior Year

- A. Provide a summary of the quantities and types of wastes received, itemized by month.
- B. Provide a summary of the unusual occurrences recorded in the Daily Log and the actions taken by the operator to remedy or correct these occurrences, by type of incident.
- C. Provide a summary of the number of vehicles utilizing the facility, itemized by month.

17. LEA Conditions

- A. This facility shall be operated in compliance with State Minimum Standards for solid waste handling and disposal.
- B. Additional information concerning the design and operation of this facility shall be furnished upon request of the Local Enforcement Agency.
- C. This facility shall comply with federal, state, and local requirements and enactments, including mitigation measures given in any certified applicable document filed pursuant to Public Resources Code, Section 21081.6.
